Purchase a bundle of LG kitchen appliances and receive the indicated rebate amount.

Substitution Option: For this 4-piece package rebate, a consumer may purchase a product with a higher retail price from the eligible model list of any of the higher package options shown above. The consumer must pay the retail difference between the lower tier package rebate model and the higher tier package rebate model. The consumer will then qualify for the package rebate amount of the lesser tier package rebate. The maximum number of products that qualifies for the substitution option is 3 products (out of a minimum of 4 products required to qualify for the package rebate).

For example, if a consumer purchases LFXC22596S and LRE3194ST from the Counter-Depth Design Bundle, LMV2031ST from LG's All-Star Package and LDT7808SS from The Ultimate Kitchen Suite, as long as consumer pays the retail difference for OTR and Dishwasher models, this consumer will qualify for the \$800 rebate for the Counter-Depth Design Bundle (with 2 substituted models).
