Return completed form with required signature and a detailed copy of the retailer receipt/invoice to:

CenterPoint Energy Laundry Rebate P.O. Box 59038 Minneapolis, MN 55459-0038

RESIDENTIAL LAUNDRY REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in a Minnesota home served with natural gas from CenterPoint Energy between January 1 and December 31, 2020. All completed applications must be postmarked by December 31, 2020 to be considered for a rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

Rebate applies to new equipment only. Refurbished models are not eligible for this rebate.

Equipment must be listed on the current ENERGY STAR website. See website: energystar.gov/products

| Rebate | Type of laundry product |
|--------|---------------------------------------|
| \$75 | ENERGY STAR natural gas clothes dryer |
| \$25 | ENERGY STAR clothes washer |

NEW CONSTRUCTION INSTALLATIONS

For New Construction installations, the building contractor should negotiate with homeowners to determine who receives the rebate. If you are building a new home, you must obtain an invoice from your builder or the retailer/dealer.

ONLINE REBATE SUBMISSION

Customer will receive their rebate faster than a paper form if the purchaser submits the rebate application and electronic dated sales invoice online. Access the online form at CenterPointEnergy.com/LaundryRebate.

MAIL-IN REBATE OPTION

A rebate application will need to be completed if the purchaser doesn't submit an application online. The purchaser is required to sign the rebate application.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement, or online at CenterPointEnergy.com/MyAccount.

PROOF OF PURCHASE AND INSTALLATION

A copy of the dated retailer receipt/invoice must list the qualifying clothes washer and/or natural gas clothes dryer as a purchased item and correspond with the equipment listed on the application.

The receipt must describe the laundry equipment that was purchased. It cannot be a packing list, recall or generic receipt.

CenterPoint Energy is unable to accept applications that do not include all the requested information.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the retailer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you haven't received payment after 8 weeks, please call 612-399-1545 or email RebateCenter@CenterPointEnergy.com.

Checks are issued from our Houston, TX office and expire in 90 days from the date that the check was issued.
